Good speaking with you today.

In looking at my correspondence with underwriters, and the supporting documents, it appears that IMTT's latest estimate for Property Damages and Extra Expenses are in the \$13,250,000 range (which does not include the \$2,500,000 of Business Interruption). So the total damages for IMTT as a result of the casualty, property and bi, are in the \$16,000,000 range.

I hope that helps. And let me know if you need any additional information.

Sincerely,
Brad

Brad,

As discussed, the USCG and NTSB are requesting a damage estimate from the allision with the MV FLAG GANGOS in August of 2014.

Thank you for your time.
